Dear Parents,

School has been very exciting this week with WOW days, Roald Dahl evening and deciding on the St Ives Core Values

More children are walking or cycling to and from school. Please be mindful of your speed and distance from cyclists, we do not want a tragic event on our roads.

Helmets **must** be worn whilst cycling – remember this is a lifesaver.

### Reminders

School starts at **8.50am** (doors will be open from 8.40am) – Breakfast Club will be available from 7.45 am and After School Club is available. Please ensure you book in for these on

<https://bookwhen.com/stivesprimary>

School uniform is back to the white polo shirts.

**Black** shoes to be worn please, not trainers!

### Snacks

This should be a plain biscuit or a piece of fruit – we are noticing a lot of litter from snacks and there shouldn't be any litter.

### Car Park & Drop Off

Please ensure you use the pathway around the school and not walk across the car park. Also, remember to use the 'Drop Off Zone' to drop off your child and not to park here. This is to allow the older children to be more independent and to be able to walk into school on their own.

### Internet Safety

This week we have attached a parent's guide to 'social media influencers'. From adults living glamorous lifestyles to young teens playing video games to children opening toys, social media influencers can mean big business for companies. But they can also provide a distorted version of reality for their followers which is why it's important for parents and carers to understand just how persuasive these individuals can be.
