Dear Parent/s,

Welcome back!! I trust you all had a lovely summer.

We have been so proud of all our children this week, they have all come back to school buzzing and have settled in well. Our focus this week has been settling in, learning new, adapted routines, assessing where the children are and planning our next steps in our learning journey.

Thank you to everyone for being so patient and understanding whilst we work our way through enabling 220 pupils to enter and exit the school grounds. Please remember it should only be one adult dropping off/collecting and there should be no congregating of adults outside the school premises.

Drop off/ Collection

Please ensure you arrive at your gate on time, not early or late as other years will be waiting to come in. We understand that queuing to enter the school premises can make it challenging for some people to walk on the pavement. Therefore, please can you walk along the opposite side of the road until you reach the gate your child enters/exits before crossing the road and return to the opposite side of the road once you have dropped off/collected your child. This should avoid congestion on the school side of the road. Thank you for your understanding.

PE Kit Days

'Sporty Tuesday' will be the day the whole school (R-Y6) attends school in their PE kits. Each class will be taking part in PE during the day on Tuesday. If your child is not dressed appropriately you will be notified, however please note they will still be taking part in their uniform.

A reminder to parents not to park in the car park when dropping off for breakfast club, there are two drop off times 7.45am and 8am and you need to wait at the pedestrian gate.
